

## In-Class Participation

|        |           |
|--------|-----------|
| Name:  | Course:   |
| Email: | Semester: |

### Instructions:

Fold this sheet of paper such that only the letter corresponding to your answer shows up. Hold it just below your shoulder level, close to your body, to show your answer to your instructor. Do not peek into other students' responses. If your answer is "E" or "other", flash all the letters at the same time.
